PREFACE

This report is concerned with seven military installations located on the main road between Chu-jung and Nan-ching in Kiang-su Province (Nanking Military Region).

The primary purpose of this report is to ascertain the presence of an artillery division within this area. An analysis and annotated photographs of installations in this area are included as is the identification of all military vehicles and equipment within each compound.

Building dimensions are given for only the tank/assault-gun storage and maintenance buildings and vehicle/equipment storage buildings. All measurements are approximate, obliquity precluding accurate mensuration.

The following designations are used in this report to identify the individual military installations.

Chu-jung Army Barracks NW Hsin-tang-shi	32 02N-119 05E
Chu-jung Army Barracks SE Hsien-chia-chiao	32 02N-119 04E
Nan-ching Army Hq. 12th Artillery Division	32 02N-119 04E
Nan-ching Air Defense Sector Hq. Ta-chao-chang	32 03N-118 48E
Army Barracks - Tang-shui North	32 02N-119 04E
Army Barracks - Tang-shui Southeast	32 02N-119 04E

25X1

For purpose of orientation the Chu-jung - Nan-ching Military Installations are depicted on Figure 2.

TA-CHAO-CHANG
32 03N-118 48E
(See Figure 3)

I. GENERAL

This installation is located approximately 5.5 nm southeast of Nan-ching on the main road to Chu-jung. Photography reveals that no new construction is underway and there appears to be a medium level of activity in the area.

II. FUNCTIONAL AREAS

A. Probable Administrative and Billeting Area

- 39 Probable barracks
- 2 Probable administration buildings
- 1 Possible hospital building (see yellow *)
- 5 Probable messhalls
- 1 Probable auditorium
- 39 Possible storage/support buildings
- 7 Double-roofed possible storage/support buildings
- 1 Possible guard-house
- 1 Possible subcaliber firing range (appears inactive)

B. Probable Billeting and Administrative Area

- 21 Probable barracks
- 1 Probable administration building
- 2 Probable messhalls
- 35 Possible storage/support buildings
- 4 Double-roofed possible storage/support buildings
- 1 Swimming pool
- 13 Probable 152 mm howitzers

ARMY BARRACKS - TANG-SHUI NORTH
32 02N-119 04E
(See Figure 4)

I. GENERAL

This installation is located approximately 9.5 nm northwest of Chu-jung on the road to Nan-ching. The installation is situated on the north edge of Hsin-tang-shi and contains a possible hospital facility and an artillery unit of undetermined size.

II. FUNCTIONAL AREAS

A. Probable Administrative and Billeting Area

- 2 Probable barracks
- 1 Probable administration building
- 1 Possible hospital (L-shaped)
- 1 Probable messhall
- 6 Possible vehicle/equipment storage buildings
- 20 Possible storage/support buildings
- 2 Possible security buildings
- 6 Probable 122 mm howitzers (see yellow arrows)
- 10 Probable mortars (see yellow arrows)
- 8 Probable truck prime movers (see yellow arrows)

B. Probable Billeting Area

- 3 Probable military associated houses
- 7 Probable barracks
- 1 Probable messhall
- 8 Possible storage/support buildings

32 02N-119 04E
(See Figure 5)

I. GENERAL

This installation is located approximately 8.5 nm northwest of Chu-jung on the main road to Nan-ching and consists of two separate areas. The first contains a river crossing and associated support units the second resembles a hospital facility.

II. FUNCTIONAL AREAS

A. Crossing Unit and Associated Support Units

- 13 Probable barracks
- 5 Probable administration buildings
- 2 Probable messhalls
- 8 Possible vehicle/equipment storage buildings
- 2 Probable auditoriums
- 43 Possible storage/support buildings
- 1 Probable M-2 tracked prime mover
- 6 Probable ZIL 150/151 cargo trucks
- 2 Probable GSP heavy amphibious ferry vehicles
- 1 Probable K-61 tracked amphibious vehicle
- 4 Probable KMM truck-mounted treadway bridges
- 2 Probable lowbed trailers
- 1 Probable K-32 truck mounted crane
- 4 Possible TMP pontons

B. Possible Hospital Area

- 1 Possible military hospital building
- 2 Probable barracks
- 6 Possible storage/support buildings
- 2 Possible security buildings
